

For the week of 08/07/22

Genesis
(In The Beginning)**Lesson 5*****“The Six Days of Creation”***
- Part I**1) God Creates _____**

a) A common _____ in each day of creation.

b) Roles of the _____ in creation.

c) The physical creation _____ to us the nature and character of God.

Key Truth: On day one of Creation - with just 4 words - God speaks light into existence in the physical universe.**Application:** As you see light this week - take time to thank God for creating it and for revealing a part of His nature and goodness to you!

For the week of 08/14/22

Genesis
(In The Beginning)**Lesson 6*****“The Six Days of Creation”***
- Part II**1) God Creates Light****2) God Creates the _____****3) God Creates the _____ and _____****Key Truth:** On day two of Creation - God separates the waters and creates the sky. And then on day three of Creation - God gathers the waters on the earth to one place so that dry ground can appear.

He calls the waters “sea” and the dry ground “land”. On the third day of Creation God also causes the land to produce plants and trees.

Application: As you look up in the sky this week or you think about the vastness of the seas - consider God's power and might and remember that the God of creation is everywhere present and that He loves you very much!
